

## 2016 Brick Kiln Single Vineyard Shiraz McLaren Vale, South Australia

The 2016 Brick Kiln Single Vineyard Shiraz is produced from Brick Kiln's 20 acre, Shiraz-only vineyard in Willunga, with vineyard plantings dating back to 1996.

After a mid-February harvest, the grapes were open fermented for 10 days before basket pressing after which the juice was put in American oak hogsheads (35% new) for further maturation.

The wine was bottled in February 2018 after 24 months in oak.

The wine is opaque deep rich ruby red in colour with powerful aromas of blackberry and dark plum with dark chocolate and peppery spice on the nose. On the palate, the wine delivers a powerful array of red berries, dark ripe plum with caramel and peppery overtones that fill the mouth, coupled with hints of coffee and earthy tones. Fruit and oak tannins are fully integrated leaving a spectacular lingering berry fruit flavour.

Drink now or until 2035.

Alcohol: 14.9%
