

## Tasting Notes

### 2022 3 Devils Riesling – Limited Edition

2022 is the first ever vintage of our 3 Devils Riesling, joining the Chardonnay and Shiraz in the 3 Devils range.

The 2022 season was a great season for not only fruit quality but also higher yields. The higher yields, strong demand for Riesling and great fruit enabled us to expand our Riesling range.

#### Tasting Note

This wine has elegant floral aromatics, lovely weight of fruit and crisp lemon /citrus flavours.

A dry style Riesling that is made from a combination of free run juice and also some of the pressings from the 37 year old Riesling vines

Will cellar for 6+ years

#### Food Pairing

Fresh oysters and Riesling yes please! Go the next step and make them Western Australian Akoya oysters.
