

## 2023 Rosé

### Growing Season

2023 consisted of a mild summer – fruit ripening ideal with a continued increase in yields from the dry 2020 & 2021 vintages resulting in great flavours.

Warm days and cool nights are typical conditions in the Great Southern over the ripening period. which contribute

### Tasting Note

The 2023 Rosé is a dry style made 100% from estate grown Shiraz grapes.

Destemmed, chilled and minimal skin contact time (less than 5 hours) contributes to the lightness in colour while still keeping its beautiful flavour profile.

A refreshing style that captures blushes of strawberry, zesty citrus and summer berries. An easy drinking style that is best suited to those hot summer nights.

### The Rosé

The Rosé has a beautiful label design which aids its intentions – to be shared with friends on those hot summer afternoons.

Alcohol: 12.5%

Harvested: April 2023

Bottled: July 2023
