

Growing Season

2022 was yet another vintage that continues the proud Gilbert tradition – small, high quality selection of fruit from our cool climate vineyard.

The 2022 season saw yields starting to return to normal levels after the dry 2020 and 2021 seasons. A mild summer lead to ideal ripening conditions for our Riesling and with little to no rain or disease pressure paved the way for a fantastic vintage!

Tasting Note

This wine has an abundant of fresh floral aromas on the nose with ripe fruit characteristics. Crisp lime and citrus flavours are depicted on the palate with a crisp finish.

A dry style Riesling that will cellar for 8+ years

Food Pairing

The 2022 Riesling will go well with natural oysters and grilled white fish.
